Technical Team Intern Candidate Pack

Our Mission

To expand access to sustainably delivered quality secondary education across Africa

www.peas.org.uk

About us

PEAS (Promoting Equality in African Schools) is a not-for-profit that expands access to inclusive, quality secondary education across Sub-Saharan Africa. Our vision is a world where all children enjoy an education that unlocks their full potential.

At the heart of our work are the 38 PEAS schools across Uganda and Zambia, where we deliver a high quality, low cost education in hard-to-reach communities. We draw on this experience to work hand in hand with governments so all young people can learn in a safe, inclusive environment. That means each year we support over 200,000 young people, in marginalised communities across Uganda, Zambia and Ghana.

Our award-winning programmes are designed and delivered by Africans for Africans. Evidence shows our students come from poorer households and make faster learning progress. And our girls are more confident and better equipped for life after school.

It's an exciting time for PEAS. Our reach and impact is growing rapidly; we support 10x the number of students we did 5 years ago, we are building more schools and have expanded into new countries

Our strategy is focused around a period of rapid growth. During this period, we aim to grow our school networks to double their size, launch in a new country and expand our wider impact by strengthening education systems. To be achieve this, we need to be working as efficiently and effectively as possible. We are looking for a Technical Team Intern that can help us do this so that we can work towards achieving our exciting and challenging ambitions.

The Opportunity

About the UK Technical Team

The PEAS Technical Team is a small team of experts who work to continually strengthen PEAS’ impact across our network of schools and beyond. Areas of work on the team is varied and exciting. The Technical Team:

- Supports education leads in Uganda, Zambia and Ghana to design and implement high impact education programmes within our school networks.
- Provides technical education and monitoring and evaluation advice and support to our country programmes in Uganda, Zambia and Ghana.
- Designs and runs internal and external research projects to make sure we are learning as much as possible about how best to improve the quality of education in our schools
- Supports collaborative partnerships with the Ugandan, Zambian and Ghanaian governments and other organisations to impact as many young people as possible.
- Proactively shares our evidence and know-how with our partners and the international education community.

The Opportunity

The Technical Team Internship is an exciting 6-month role within the UK Technical Team, with the possibility of extension.

Internship projects will include working with leads in Uganda, Zambia, Ghana and the UK to support PEAS to grow its impact. This will involve developing content for strategic education projects supporting the design of new education programmes that ensure PEAS students receive the highest quality education. Additionally, the intern will get involved with project monitoring and evaluation, aiding PEAS in approaches to ensure ongoing learning is generated in relation to the education programmes.

The successful candidate will need to be a quick learner, highly organised, and adept at working flexibly to support evolving team and organizational needs. Strong written and verbal communication are essential, as well as enthusiasm for working with multi-national teams.

PEAS Technical Team interns are given the opportunity to take on a lot of responsibility working at the heart of an award-winning education organisation. PEAS interns have gone on to a variety of exciting careers, working at the Behavioural Insights Team, the National Foundation for Education Research (NFER) and becoming permanent members of the PEAS team.

Responsibilities of the Role

Specific responsibilities may adjust depending on the specific background of the successful applicant.

Support delivery of PEAS education approach

- Support tool and content development for strategic projects in collaboration with UK colleagues and programme leads in Uganda and Zambia to address priority areas of improvement. This could include supporting the team to develop a secondary-level numeracy and literacy programme, designing content for educational software, supporting the design and implementation of activities under our girls approach in Uganda and Zambia and supporting the development of an exam strategy in Zambia.
- Develop training resources for teachers and leaders in Uganda and Zambia, including training manuals and presentations to support colleagues to deliver virtual or in-person training.

Monitoring, Evaluation, and Learning

- Review of external studies to ensure an updated library of relevant research.
- Supporting with the development and adaptation of surveys and forms for data collection. Assisting with the analysis of survey and other quantitative and qualitative data, including data cleaning and presenting analysis in PowerPoint presentations.

Support to wider Technical Team

- Support in coordinating and minuting meetings relating to programme implementation and MEL.
- Support PEAS' research and documentation of potential new countries for operations.

Working at PEAS

No matter what the role, team, context or country, we are all guided by our values, intrinsically motivated and energetic. We work collaboratively across functions, facing the challenges of balancing access, quality and sustainability together to deliver the best quality outcomes for students.

- Have impact - opportunity to really stretch yourself and contribute to having real impact in improving the life chances of all children through educational opportunity.
- Part of the PEAS Pod - joining a small team who are extremely effective, proactive, supportive and values aligned
- Collaborative cross-organisation working style - enables employees to develop skills and knowledge outside of their core role
- Flexible working – Typical flexible working options can include working from home and/or flexible hours and we are open to discuss any possible flexible options with employees.
- Annual leave - 28 days for full-time employees, pro-rata for part-time plus bank holidays
- Pension - Eligible employees are auto-enrolled into PEAS contribution-based pension scheme with up to 6% matched employer contributions
- Wellness and wellbeing – Employees have immediate access to an employee assistance programme (EAP) through Health Assured. The EAP provides access to both proactive and reactive wellness and wellbeing services to you and your immediate family 24hrs a day, 365 days of the year.

Our values

Focus on Lasting Change

Our work should benefit students and communities now and for generations to come. So sustainability is core to everything we do. We consider the wider consequences of what we do, because what matters is maximum long term impact across society.

Be Honest

Trust and integrity are everything. We are transparent about our impact and programmes. We don't support corruption. We don't pay bribes. We don't receive bribes.

Be Collaborative not Competitive

We put true impact before personal or organisational glory. We collaborate within and beyond the organisation to maximise collective impact.

Be Entrepreneurial

PEAS was founded with an entrepreneurial spirit and it is embedded in who we are. We are nimble, ready to respond to new opportunities and challenges. We are not afraid of taking risks and leading the way.

Champion Empowerment

We hold each other to account. We maximise autonomy by providing high quality support to decision-makers throughout the organisation.

Adopt a Growth Mindset

We dare to be better. We continually push ourselves to improve. We appreciate and learn from mistakes which we see as a necessary side effect of striving for ever growing impact.

Look at the Evidence

Evidence can be scarce in our sector. We strive to make use of the available evidence while also contributing our own. Our decisions are based on research and data combined with our practical experience.

PEAS is highly committed to keeping children safe from harm and preventing corruption. We therefore take our responsibility to promote safe recruitment practices very seriously, including conducting appropriate reference and background checks. We also operate a zero-tolerance approach to any PEAS employees who breach our Safeguarding and Anti-Corruption Policies, which all employees are required to sign upon induction.

PEAS is an equal opportunity employer that does not discriminate in its recruitment practices and, in order to build the strongest possible workforce, actively seeks a diverse applicant pool.
